

PREFACE

This volume contains the proceedings of the 39th Annual Conference of the Marketing Educators' Association (MEA) held at the SLS Las Vegas Hotel in Las Vegas, Nevada, April 15-17, 2015.

The conference theme, ***Teaching Marketing to New Generations and Non-Traditional Students***, reflects the association's commitment to facing the challenges of new generations of students and ever-changing technology in continuing to provide the most effective marketing education possible. It also suggests career opportunities for marketing educators. Embracing new learning styles, new technologies, and incorporating new methods in our classrooms transform these challenges into great opportunities. The topics discussed provide a vast and exciting array of methods designed with these challenges and opportunities in mind.

These conference proceedings include competitive papers/abstracts, position papers, and special session proposals. Each competitive paper was double-blind reviewed and authors provided a full paper or an abstract for publication. An editorial committee evaluated position papers and special session proposals and authors provided an abstract for publication. Authors, session chairs, and reviewers represent a geographically diverse group from half the U.S. states and several other nations, including Australia, Canada, Costa Rica, England, Finland, Malaysia, Saudi Arabia, South Africa, and Switzerland. We also have several participants representing industry.
